About Me!

I'm a Software Engg, driven by a deep-rooted passion for technology and innovation. I've honed my problem-solving skills and acquired proficiency in various programming languages like **HTML, CSS, JS, Bootstrap, React, C, Java**. My collaborative nature and leadership abilities shine in team projects.

Education

Integral University, Lucknow | B.Tech in Computer Science Sept 2022 – May 2025
• GPA: 7.0/10.0
University Polytechnic AMU, Aligarh | Diploma in Mech. Engineering Sept 2018 – May 2021
• GPA: 7.4/10.0
AMU City High School | 10th May 2017
• GPA: 7.4/10.0

Projects

Expense Tracker /Expense-Tracke
• Developed a multi-functional Expense Tracker website with user authentication, AI financial advisory (Google Gemini API), data visualization (Chart.js), tax calculator, expense notes, and expert consultation. Implemented local storage for data persistence across features.
Portfolio Website asadalam.info
• Developed an interactive portfolio website showcasing 15 diverse projects, implementing HTML, CSS, and JavaScript to enhance online visibility while attracting five new clients within the first month of launch.
Clone Apple Vision Pro Website /AppleVisionPro
• Cloned key aspects of the Apple Vision Pro website following modern web standards, which improved my understanding of cross-browser compatibility.

Skills

Languages: HTML, CSS, JavaScript, React, C, Java, MySQL
Tools and Frameworks: Git, GitHub, Bootstrap, Tailwind, Figma, VS Code, IntelliJ IDEA
DSA: Array, String, Sorting Algorithms, Searching Algorithms, ArrayList, Stack, **HashMap**, HashSet, Queue, PriorityQueue, OOPs

Experience

Java Programming Intern, Motion Cut June 2024 – July 2024
• Spearheaded the design and development of a comprehensive Hospital Management System using core Java and SQL, resulting in a streamlined process that reduced patient data retrieval time by 40 percent and improved overall operational efficiency. github.com/aligasad/Hospital-Management

Achievements

HTML, CSS : Sololearn, Certificate id - CT-TF6YQNIU **CSS** : Sololearn Certificate CT-TF6YQNIU
Problem Solving : HackerRank Certificate - 6C8550DCC360
Java : HackerRank Certificate - 0C3FA0C07343
JavaScript : HackerRank Certificate - 0C3FA0C07343 **SQL** : HackerRank Certificate - 0C3FA0C07343
